MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 6 to Contract No. LW-473  
with The Perkin-Elmer Corporation, Norwalk, Connecticut,  
Project CHALICE

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. LW-473 provides for top-level technical support in connection with equipment furnished by the subject contractor for Project CHALICE. Amendment No. 6 has been drawn to extend the period of performance; provide for FY-1961 funding; and to adjust funding for the period 1 July 1958 - 30 June 1959 and 1 July 1959 - 30 June 1960.

3. FY-1959 CHALICE Funds in the Amount of \$5,327.02 and FY-1960 CHALICE Funds in the amount of \$7,500.00 should be liquidated from the contract. FY-1961 CHALICE funds, when available, in the amount of \$8,750.00 should be obligated to cover the contract for the period 1 July 1960 - 30 June 1961. By concurrence to this memorandum the Comptroller signifies that FY-1959 and FY-1960 funds have been adjusted as provided above and that the obligation for FY-1961 CHALICE funds has been noted and will be recorded when funds become available.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) - see 85-507 dtd 7/7/58) for each contract.
